

## Curriculum Committee Annual Report, 2017-2018

The Senior College Curriculum Committee is composed of twelve members, including the registrar, and the Senior College President (ex officio). To accomplish our mission “to determine the courses to be offered based on the interests of our membership and the qualifications of potential faculty,” we work throughout the entire twelve-month year. Though not formally stated, we are also charged with securing a sixteen-course curriculum for the Fall, Winterim, and Spring semesters, whenever possible. The Hutchinson Center also allows us eight days throughout the year for one- or two-days classes.
