

## Course Registration - Summer 2019

Summertime is a great time to enjoy a special learning experience, no school, no schedules, and long days of sun (hopefully) and relaxation. What better time to explore a topic of interest on a subject new to you? Senior College at Belfast once again is offering a variety of opportunities to tempt you and your friends to join us for a day or days of fun this summer, learning and meeting with fellow life-long learners and making new friends and acquaintances.

We are once again waiving the membership fee for all summer courses. You, your friends, family and neighbors of any age need only pay a one-time registration fee of \$20.00 to participate in your choice of class. All classes, unless otherwise noted, begin at 9:30 a.m. and run until 3:00 p.m. A lunch break is included and all are encouraged to bring a brown bag lunch for the full-day classes. Morning and afternoon breaks are scheduled and include refreshments.

Classes with a size limit will be filled on a first come first served basis. If a class reaches its limit, please contact us and ask to be placed on a waiting list in case a spot becomes available.

*Please print as neatly as possible.*
