

**Senior College  
Annual Appeal Committee  
Report 2019**

In 2018 our Board of Directors again authorized an Annual Appeal Fund Drive. The goals being to:

1. Help offset recent increases on the expense side of our Operating Budget
2. Add, if we are able, to our "rainy day" funds.
3. Message our members to keep in mind we are a volunteer organization with some considerable fixed operating costs.

With these goals in mind a letter was drafted, reviewed by our President and in October sent to all our members. We are pleased to report that the Appeal was again successful raising a total of \$5,280. As we cited last year "this is not just a tribute to the generosity of our members, but maybe more importantly a testimony to the esteem the college has earned over the years."

The 2018 Appeal was chaired by David Beebe and Peter Reilly. The 2019 Appeal will be chaired by John Economy and Sandi Cirillo. The staffing plan is to rotate the committee every 2 years.

Again the Committee had incredible help from Elizabeth Pollack and Al Arthur in our office. Besides volunteering their time and answering our endless questions, they put together the mailing list and labels. All of which obviously worked very well.

Our thanks again to all our members and volunteers who contribute to Senior College.
