

2019-2020 Curriculum Committee Report

This year began with an outstanding Fall catalog of 14 six week classes and 3 one day classes. The 2020 Winterim session included 15 four week classes and 3 extremely well attended one day classes that ended a month before word of the Coronavirus began making news across the world. By late March the statewide quarantine was instituted and all Senior College meetings were held online via Zoom. In addition an outstanding Spring Session consisting of 17 six week courses and 5 one day courses was canceled and more than 175 individual's tuitions were refunded. We were able to collectively educate ourselves and a number of Instructors on virtual learning via Zoom and offered (free of charge) 6 online classes with excellent results. This assured the Committee that this new model can be successfully utilized until we can once again meet face-to-face. Registration numbers for the year are as follows:

Class Enrollment	No. of Students	No. of Classes
Fall		
378	294	17
Winterim		
516	338	18
Spring		
0		
Summer		
336	227	6

Total 1230 (number of class slots filled/not number of individuals)
